**PLAINTIFF'S COMPLAINT FOR TRADEMARK INFRINGEMENT, FALSE
DESIGNATION OF ORIGIN, UNFAIR COMPETITION, AND
DECEPTIVE ACTS AND PRACTICES**

The plaintiff JUUL Labs, Inc. ("JLI"), by and through its undersigned attorneys, files this Complaint against the defendant 9W Snack Shop Inc., a New York corporation ("Defendant"), as follows:

NATURE OF THE ACTION

1. This action arises out of Defendant's unlawful use of JLI's federally registered trademarks including the JUUL® trademark, which provides the basis for JLI's claim for counterfeiting, trademark infringement and unfair competition under sections 32(1) and 43(a) of the Lanham Act (15 U.S.C. § 1114(1) and § 1125(a)), and related claims of unfair competition and deceptive trade practice arising under the laws of the State of New York.

2. JLI is the designer, manufacturer, and distributor of JUUL-branded electronic nicotine delivery systems ("ENDS") and other related products (collectively, "the JUUL Products").

3. The JUUL Products have become targets for individuals and entities who, like Defendant, wish to take a "free ride" on the commercial success of the JUUL brand that JLI has spent considerable effort and resources to build.

4. Specifically, wrongdoers, like Defendant, have counterfeited JUUL Products by illegally manufacturing, selling, and distributing fake, copied, and non-genuine versions of JUUL Products and related packaging.

5. Through this action, JLI combats the sale and distribution of these unlawful counterfeit and diverted products.

PARTIES

6. JLI is a corporation organized and existing under the laws of the State of Delaware.

7. Defendant 9W Snack Shop Inc. is a corporation organized and existing under the laws of the State of New York and having its principal place of business at 5465 Rte 9W, Newburgh, New York 12550. Defendant owns and operates the Gulf gas station at that location.

JURISDICTION AND VENUE

8. This Court has subject matter jurisdiction over this case pursuant to 15 U.S.C. § 1121 and 28 U.S.C. §§ 1331, 1338(a), and 1338(b) because (i) claims herein arise out of federal trademark laws as codified in 15 U.S.C. § 1114 and 15 U.S.C. § 1125(a) (*i.e.*, trademark infringement, false designation of origin, and unfair competition); and (ii) the unfair business practices claim herein is brought with and is related to the substantial claims based on trademark laws. This Court also has supplemental jurisdiction over JLI's claims arising under common law

or state law pursuant to 28 U.S.C. § 1367(a) because the claims are so related to JLI's federal law claims that they form part of the same case or controversy and derive from a common nucleus of operative facts.

9. This Court has general personal jurisdiction over Defendant due to its residence and business activities in this judicial district. This Court has specific personal jurisdiction over Defendant due to the nature and quality of its actions toward the state in which this Court is located. The claims asserted herein arise out of and relate to such actions and this Court's exercise of specific personal jurisdiction over Defendant comports with traditional notions of fair play and substantial justice.

10. Venue in this judicial district is proper for these claims pursuant to 28 U.S.C. § 1391(b). As described herein, Defendant resides in this judicial district, a substantial part of the events or omissions giving rise to these claims occurred in this judicial district, and Defendant has extensive contacts with this judicial district relating to JLI's claims. Defendant conducts regular and systematic business transactions in this judicial district, including direct sales to consumers in this judicial district, which violate the intellectual property rights of JLI.

FACTUAL ALLEGATIONS COMMON TO ALL CLAIMS

JUUL Trademarks and Products

11. JLI is the exclusive owner of federally-registered, registration-pending, and common law trademarks. For example, JLI owns the following United States Trademark Registrations:

Depiction of Trademark	Registration No. and Date	(1) First Use (2) In Commerce
JUUL®	4,818,664 (09-22-2015)	(1) 06-01-2015 (2) 06-01-2015
JUUL®	4,898,257 (02-09-2016)	(1) 06-01-2015 (2) 06-01-2015

Depiction of Trademark	Registration No. and Date	(1) First Use (2) In Commerce
JUULpods®	5,918,490 (11-26-2019)	(1) 06-30-2015 (2) 06-30-2015

12. True and correct copies of the Registration Certificates for the above-listed trademarks are attached hereto as Exhibit A. Hereinafter, JLI may sometimes utilize the phrase "the JUUL Marks" to refer to, collectively, JLI's federally-registered, registration-pending, and common law trademarks.

13. JLI designs, manufactures, distributes, markets, and sells JUUL Products, including the JUUL system comprised of: (i) a device containing a rechargeable battery, control circuitry and a receptacle for a cartridge or pod, (ii) a disposable cartridge or pod ("JUULpod") that can be inserted into the device, has a heating chamber and is prefilled with a proprietary nicotine e-liquid formulation, and (iii) a charger for charging the device, and related accessories.

14. The JUUL Marks appear clearly on JUUL Products, as well as the packaging and marketing materials related to such products.

15. The JUUL Marks, as well as the goodwill arising from such trademarks, have never been abandoned.

16. JLI continues to preserve and maintain its rights with respect to the JUUL Marks, including those registered with the United States Patent and Trademark Office.

17. Due in large part to the substantial commercial success of the JUUL Products, the JUUL brand is well-known to consumers and has garnered extensive coverage by the media.

18. Through the extensive use of the JUUL Marks, JLI has spent substantial time, money, and effort in developing consumer recognition and awareness of its brand. JLI markets JUUL Products nationwide to current adult smokers, including through its website, and sells its products through its nationwide authorized network. JLI also markets and sells its products

internationally. JLI has built up and developed significant customer goodwill in its entire product line and the JUUL Products are immediately identified by the JUUL Marks.

Prior Sales of Infringing Goods by Entities Commonly Owned with Defendant and Prior Cease-and-Desist Notices to Such Entities

19. Prior to the initial purchase from Defendant's business detailed below, representatives of JLI made purchases of diverted grey market products that infringe upon the JUUL Marks from retail businesses operated by entities that, on information and belief, are commonly owned with Defendant (the "Commonly-Owned Entities"), i.e., the individual owners of the Commonly-Owned Entities are the same as the individual owners of Defendant. These prior purchases occurred at retail businesses located in the following cities: Fishkill, New York; Rocky Hill, Connecticut; Avon, Connecticut; Cortlandt Manor, New York; Kingston, New York; Poughkeepsie, New York; and Montvale, New Jersey.

20. Prior to the initial purchase from Defendant's business detailed below, the New Hampshire Liquor Commission, Division of Enforcement seized diverted grey market products that infringe upon the JUUL Marks from retail businesses located in Seabrook, New Hampshire, Exeter, New Hampshire, and Milford, New Hampshire that, on information and belief, are owned by a Commonly-Owned Entity.

21. Prior to the initial purchase from Defendant's business detailed below, JLI's counsel mailed cease-and-desist correspondence to each of the Commonly-Owned Entities referenced above which provided the same demands and notices as those made to Defendant in the cease-and-desist correspondence attached hereto and detailed below.

Defendant's Sales of Unlawful Grey Market Goods

22. Beginning on a date that is currently unknown to JLI, Defendant, without the consent of JLI and within the United States, has offered to sell and sold non-genuine JUUL

Products which, as stated on the packaging of the products themselves, are only authorized for sale in particular countries outside the United States and materially differ from genuine JUUL Products in the United States ("Unlawful Grey Market Goods"). Because the Unlawful Grey Market Goods are labeled and packaged to comply with the regulations of the authorized foreign marketplaces, the labeling and packaging of the Unlawful Grey Market Goods are not in compliance with the regulations of the U.S. Food and Drug Administration as well as other federal, state, and local regulations. Further, to the extent the packaging of the Unlawful Grey Market Goods provide required product information and warnings in languages other than English, consumers in the United States who do not read such foreign languages do not receive such required information and warnings.

23. On June 11, 2021, a representative of JLI made an in-person purchase of an Unlawful Grey Market Good for sale at the Gulf gas station owned and operated by Defendant located at 5465 Rte 9W, Newburgh, New York 12550 (the "Gulf Gas Station Business"). A true and correct image of the product purchased on June 11, 2021 is attached hereto as Exhibit B. JLI subsequently inspected the product purchased on June 11, 2021 and confirmed that the purchased product is in fact a diverted grey market product that materially differs from genuine JUUL Products sold in the United States.

Cease-and-Desist Correspondence to Defendant

24. On July 7, 2021, JLI's counsel mailed a cease-and-desist correspondence to Defendant. A true and correct copy of this correspondence is attached hereto as Exhibit C. The cease-and-desist correspondence provided specific notice of the following, among other items: (i) JLI's confirmation that goods sold by Defendant are in fact non-genuine grey market goods; (ii) JLI's demand that Defendant cease the sale, manufacture, marketing, and importation of Unlawful

Grey Market Goods and all other unauthorized use of JLI's intellectual property; (iii) JLI's ownership of the JUUL Marks; (iv) the statutory prohibition of the sale of Unlawful Grey Market Goods and all other unauthorized use of JLI's intellectual property, and JLI's right to seek monetary judgments against infringers; and (v) Defendant's willful infringement under federal law would be established by any further sales of Unlawful Grey Market Goods or any other unauthorized use of JLI's intellectual property.

25. The July 7, 2021 cease-and-desist correspondence requested that Defendant contact JLI's counsel to discuss pre-litigation resolution of the legal issues arising from the sale of the Unlawful Grey Market Goods and all other unauthorized use of JLI's intellectual property. Defendant, however, did not contact JLI's counsel.

Defendant's Continued Sales (Counterfeit Goods and Unlawful Grey Market Goods)

26. Beginning on a date that is currently unknown to JLI, Defendant, without the consent of JLI, has offered to sell and sold, and/or facilitated the offer and sale of, goods that were neither made by JLI nor by a manufacturer authorized by JLI, all by using reproductions, counterfeits, copies and/or colorable imitations of JUUL Products and the JUUL Marks ("Counterfeit Goods").

27. JLI has not authorized any third party, including Defendant, to make or sell ENDS or other types of products in connection with the JUUL Marks. The Counterfeit Goods sold by Defendant are therefore not manufactured in accordance with JLI's own stringent quality controls but are instead manufactured outside of JLI's knowledge and control, using unknown substances and materials, in unknown locations and with unknown manufacturing requirements/controls.

28. The Counterfeit Goods sold by Defendant bear counterfeit and confusingly similar imitations of the JUUL Marks in a manner likely to be confused with genuine JUUL Products.

29. On July 29, 2021, a representative of JLI made an in-person purchase of an Unlawful Grey Market Good for sale at the Gulf Gas Station Business. A true and correct image of the product purchased on July 29, 2021 is attached hereto as Exhibit D. JLI subsequently inspected the product purchased on July 29, 2021 and confirmed that the purchased product is in fact a diverted grey market product.

30. Further, on August 12, 2021, a representative of JLI made an in-person purchase of Unlawful Grey Market Goods for sale at the Gulf Gas Station Business. True and correct images of the products purchased on August 12, 2021 are attached hereto as Exhibit E. JLI subsequently inspected the products purchased on August 12, 2021 and confirmed that the purchased products are in fact diverted grey market products.

31. Further, on December 16, 2021, a representative of JLI made an in-person purchase of a Counterfeit Good for sale at the Gulf Gas Station Business. A true and correct image of the product purchased on December 16, 2021 is attached hereto as Exhibit F. JLI subsequently inspected the product purchased on December 16, 2021 and confirmed that the purchased product is in fact a counterfeit product.

32. Defendant is not authorized and never has been authorized by JLI to produce, manufacture, distribute, market, offer for sale, and/or sell merchandise bearing the JUUL Marks, or any variations thereof. JLI has no control over the nature, quality, or pricing of Defendant's products or marketing, or any other aspect of the business conduct of Defendant.

33. Defendant uses words, symbols, images, designs, and names confusingly similar or identical to the JUUL Marks to confuse consumers and aid in the promotion and sales of the Counterfeit Goods.

34. Defendant's counterfeit sales outlined above are likely to deceive, confuse, and mislead purchasers and prospective purchasers into believing that the products are authorized by JLI. Purchasers and prospective purchasers using or simply viewing Defendant's Counterfeit Goods and who perceive a defect, lack of quality, or any other irregularity are likely to mistakenly attribute the issue to JLI, to the detriment of JLI's business and the JUUL brand.

35. The likelihood of confusion, mistake, and deception brought about by Defendant's misappropriation of the JUUL Marks is causing irreparable harm to the goodwill symbolized by the JUUL Marks and the reputation for quality that said marks embody.

36. Defendant's unauthorized use of the JUUL Marks occurred after JLI legally established the existence and significant value of such trademarks, including after JLI's adoption and use of the JUUL Marks and after JLI obtained the trademark registrations described above.

37. Defendant's infusion of the Counterfeit Goods into the marketplace reflects adversely on JLI, results in economic loss to JLI including loss of sales of genuine JUUL Products, damages the goodwill of the JUUL brand, and thwarts JLI's honest efforts and considerable expenditures to promote its genuine JUUL Products using the JUUL Marks.

FIRST CLAIM FOR RELIEF
Trademark Infringement – Counterfeit Goods (15 U.S.C. § 1114)

38. JLI re-alleges and incorporates by this reference each and every allegation in the paragraphs above as though set forth fully herein.

39. The JUUL Marks, as well as the goodwill arising from such trademarks, have never been abandoned. The JUUL Marks appear clearly on JUUL Products, as well as the packaging and marketing related to such products. JLI continues to preserve and maintain its rights with respect to the JUUL Marks.

40. Defendant's intentional and/or willful actions to sell and distribute the Counterfeit Goods which use spurious designations that are identical to, or substantially indistinguishable from, the JUUL Marks as described herein are intended to cause, have caused, and are likely to continue to cause confusion or mistake, or to deceive consumers, the public, and the trade into believing that the Counterfeit Goods are genuine or authorized JUUL Products.

41. The foregoing acts of Defendant constitute direct, contributory, and/or vicarious trademark infringement in violation of 15 U.S.C. § 1114.

42. JLI has been damaged as a result of Defendant's infringement of the JUUL Marks. JLI alleges, on information and belief, that Defendant's sale and distribution of the Counterfeit Goods have resulted in lost sales to JLI, have reduced the business and profits of JLI, and have injured the general reputation of JLI, all to JLI's damage in an amount not yet ascertainable, but will be determined during this action or considered in relation to a request for statutory damages.

43. JLI alleges, on information and belief, that Defendant has derived, received, and will continue to derive and receive from the aforesaid acts of infringement, gains, profits, and advantages in an amount not yet ascertainable, but will be determined during this action or considered in relation to a request for statutory damages.

44. On information and belief, Defendant acted intentionally and/or willfully in infringing upon the JUUL Marks through sale and distribution of the Counterfeit Goods, knowing that the JUUL Marks belonged to JLI, that the Counterfeit Goods were in fact infringing, and that Defendant was not authorized to infringe upon the JUUL Marks through sale and distribution of the Counterfeit Goods.

45. Defendant's spurious designation of its products also constitutes the knowing use by Defendant of at least one "counterfeit mark" as defined in 15 U.S.C. § 1116(d)(1)(B).

Therefore, JLI is entitled to recovery of treble damages and to an award of reasonable attorneys' fees pursuant to 15 U.S.C. §§ 1117(a) and 1117(b).

46. Because Defendant's actions also constitute the use by Defendant of at least one "counterfeit mark" as defined in 15 U.S.C. § 1116(d)(1)(B), JLI reserves the right to elect, at any time before final judgment is entered in this case, an award of statutory damages pursuant to 15 U.S.C. § 1117(c)(1) or (2). JLI alleges, on information and belief, that Defendant has knowingly and willfully engaged in the acts complained of with oppression, fraud, malice, and in conscious disregard of the rights of JLI. JLI is, therefore, entitled to the maximum statutory damages allowable.

47. The acts of direct, contributory, and/or vicarious trademark infringement committed by Defendant have caused, and will continue to cause, JLI irreparable harm unless they are enjoined by this Court. On information and belief, Defendant's actions were committed in bad faith and with the intent to cause confusion and mistake, and to deceive the consuming public as to the source, sponsorship, and/or affiliation of Defendant and/or the Counterfeit Goods.

SECOND CLAIM FOR RELIEF
False Designation of Origin – Counterfeit Goods (15 U.S.C. § 1125(a))

48. JLI re-alleges and incorporates by this reference each and every allegation in the paragraphs above as though set forth fully herein.

49. Defendant's unauthorized use of the JUUL Marks, brand names, and the other distinctive words, symbols, slogans, color schemes, images, and designs through which Defendant presents its Counterfeit Goods to the market constitutes a wrongful and false representation to the consuming public that the Counterfeit Goods sold by Defendant originated from JLI or somehow are authorized by or affiliated with JLI.

50. Defendant's actions as described herein constitute violation of 15 U.S.C. § 1125(a)(1)(A), as such actions are likely to cause confusion, or to cause mistake, or to deceive as to the affiliation, connection, or association of Defendant with JLI and/or as to the origin, sponsorship, and/or approval of the Counterfeit Goods by JLI. These acts amount to false designations of origin.

51. JLI has been damaged as a result of Defendant's actions described herein. JLI alleges, on information and belief, that Defendant's sale of the Counterfeit Goods has resulted in lost sales to JLI, has reduced the business and profits of JLI, and has greatly injured the general reputation and goodwill of JLI, all to JLI's damage in an amount not yet ascertainable, but will be determined during this action or to be considered in relation to a request for statutory damages.

52. JLI alleges, on information and belief, that Defendant has derived, received, and will continue to derive and receive from the aforesaid acts of infringement, gains, profits, and advantages in an amount not yet ascertainable, but will be determined during this action or to be considered in relation to a request for statutory damages.

53. On information and belief, Defendant acted intentionally and/or willfully in using the JUUL Marks on the Counterfeit Goods, knowing that the JUUL Marks belonged to JLI, that the Counterfeit Goods were in fact counterfeit, and that Defendant was not authorized to use the JUUL Marks on the Counterfeit Goods.

54. Defendant's acts of violating 15 U.S.C. § 1125(a), directly and/or in contributory or vicarious manner, have caused, and will continue to cause, JLI irreparable harm unless they are enjoined by this Court. On information and belief, Defendant's actions were committed in bad faith and with the intent to cause confusion and mistake, and to deceive the consuming public as to the source, sponsorship, and/or affiliation of Defendant and/or the Counterfeit Goods.

THIRD CLAIM FOR RELIEF
Unfair Competition – Counterfeit Goods (15 U.S.C. § 1125(a))

55. JLI re-alleges and incorporates by this reference each and every allegation in the paragraphs above as though set forth fully herein.

56. An express purpose of the Lanham Act is to protect commercial parties against unfair competition.

57. Defendant's unauthorized use of the JUUL Marks, brand names, and the other distinctive words, symbols, color schemes, and designs through which JLI presents its products to the market constitutes wrongful and unfair business practices and marketplace bad faith, resulting in inaccurate representations to the consuming public that the Counterfeit Goods sold by Defendant originated from or somehow are authorized by or affiliated with JLI. Defendant so acted for its own financial benefit in disregard to the harm being caused to JLI.

58. Defendant's actions as described herein constitute violation of 15 U.S.C. § 1125(a)(1)(A), as such actions are likely to cause confusion, or to cause mistake, or to deceive as to the affiliation, connection, or association of Defendant with JLI and/or as to the origin, sponsorship, and/or approval of the Counterfeit Goods by JLI. These acts amount to false representations to compete unfairly with JLI.

59. JLI has been damaged as a result of Defendant's actions described herein. JLI alleges, on information and belief, that Defendant's sale of the Counterfeit Goods has resulted in lost sales to JLI, has reduced the business and profits of JLI, and has greatly injured the general reputation and goodwill of JLI, all to JLI's damage in an amount not yet ascertainable, but will be determined during this action or to be considered in relation to a request for statutory damages.

60. JLI alleges, on information and belief, that Defendant has derived, received, and will continue to derive and receive from the aforesaid acts of infringement, gains, profits, and

advantages in an amount not yet ascertainable, but will be determined during this action or to be considered in relation to a request for statutory damages.

61. On information and belief, Defendant acted intentionally and/or willfully in using the JUUL Marks on the Counterfeit Goods, knowing that the JUUL Marks belonged to JLI, that the Counterfeit Goods were in fact counterfeit, and that Defendant was not authorized to use the JUUL Marks on the Counterfeit Goods.

62. Defendant's acts of violating 15 U.S.C. § 1125(a), directly and/or in contributory or vicarious manner, have caused, and will continue to cause, JLI irreparable harm unless they are enjoined by this Court. On information and belief, Defendant's actions were committed in bad faith and with the intent to cause confusion and mistake, and to deceive the consuming public as to the source, sponsorship, and/or affiliation of Defendant and/or the Counterfeit Goods.

FOURTH CLAIM FOR RELIEF
Trademark Infringement – Grey Market Goods (15 U.S.C. § 1114)

63. JLI re-alleges and incorporates by this reference each and every allegation in the paragraphs above as though set forth fully herein.

64. Defendant's actions to sell and distribute Unlawful Grey Market Goods in the United States are intended to cause, have caused, and are likely to continue to cause public confusion or mistake, or to deceive consumers, the public, and the trade into believing that the Unlawful Grey Market Goods are genuine or authorized JUUL Products.

65. The Unlawful Grey Market Goods are non-genuine JUUL Products in the United States and the "first sale" doctrine does not foreclose Defendant's liability under this cause of action because the Unlawful Grey Market Goods materially differ from genuine JUUL Products authorized for sale in the United States. Specifically, among other things, the labeling and packaging of the Unlawful Grey Market Goods (i) state the products are only authorized for sale

in particular countries outside the United States, (ii) are designed to comply with the regulations of the authorized foreign marketplaces, and (iii) are not in compliance with the regulations of the U.S. Food and Drug Administration.

66. The foregoing acts of Defendant constitute direct, contributory, and/or vicarious trademark infringement in violation of 15 U.S.C. § 1114.

67. JLI has been damaged as a result of Defendant's infringement of the JUUL Marks. JLI alleges, on information and belief, that Defendant's sale and distribution of the Unlawful Grey Market Goods have resulted in economic loss to JLI and have injured the general reputation of JLI, all to JLI's damage in an amount not yet ascertainable, but will be determined during this action.

68. JLI alleges, on information and belief, that Defendant has derived, received, and will continue to derive and receive from the aforesaid acts of infringement, gains, profits, and advantages in an amount not yet ascertainable, but will be determined during this action.

69. On information and belief, Defendant acted intentionally and/or willfully in infringing upon the JUUL Marks through sale and distribution of the Unlawful Grey Market Goods, knowing that the JUUL Marks belonged to JLI, that the Unlawful Grey Market Goods were in fact infringing, and that Defendant was not authorized to infringe upon the JUUL Marks through sale and distribution of the Unlawful Grey Market Goods.

70. The acts of direct, contributory, and/or vicarious trademark infringement committed by Defendant have caused, and will continue to cause, JLI irreparable harm unless they are enjoined by this Court. On information and belief, Defendant's actions were committed in bad faith and with the intent to cause confusion and mistake, and to deceive the consuming public into believing that the Unlawful Grey Market Goods are genuine or authorized JUUL Products.

FIFTH CLAIM FOR RELIEF
Trademark Infringement Under Common Law

71. JLI re-alleges and incorporates by this reference each and every allegation in the paragraphs above as though set forth fully herein.

72. By the acts described above, Defendant has engaged in trademark infringement in violation of the common law of the State of New York.

73. JLI has been damaged by Defendant's acts of trademark infringement.

74. The acts of trademark infringement committed by Defendant have caused, and will continue to cause, JLI irreparable harm unless they are enjoined by this Court. JLI has no adequate remedy at law and is thus damaged in an amount not yet determined.

SIXTH CLAIM FOR RELIEF
Common Law Unfair Competition

75. JLI re-alleges and incorporates by this reference each and every allegation in the paragraphs above as though set forth fully herein.

76. Defendant's actions described herein constitute unfair competition in violation of the common law of the State of New York.

77. JLI has been damaged by Defendant's acts of common law unfair competition.

78. Defendant's actions described herein have caused, and will continue to cause, JLI to suffer irreparable harm unless enjoined by this Court. JLI has no adequate remedy at law and is thus damaged in an amount not yet determined.

SEVENTH CLAIM FOR RELIEF
Deceptive Acts and Practices Under Section 349 of New York General Business Law

79. JLI re-alleges and incorporates by this reference each and every allegation in the paragraphs above as though set forth fully herein.

80. Defendant's distribution, marketing, promotion, offering for sale, and sale of Counterfeit Goods bearing marks confusingly similar to JUUL Products and the JUUL Marks, as alleged above, are materially misleading and deceptive to the consumers in New York.

81. Defendant has engaged in consumer-oriented conduct that has affected the general public interest of New York and has resulted in injury, and is likely to result in further injury, to consumers in New York.

82. By the acts described above, Defendant has willfully engaged in deceptive acts or practices in the conduct of business and furnishing of goods in violation of Section 349 of the New York General Business Law.

83. JLI has been damaged by Defendant's deceptive acts or practices.

84. Defendant's actions described herein have caused, and will continue to cause, JLI to suffer irreparable harm unless enjoined by this Court. JLI has no adequate remedy at law and is thus damaged in an amount not yet determined.
